

Learning Centre Tutoring Services – FAQ

1. What tutoring support is available at Cambrian College?

Cambrian's Learning Centre offers two types of tutoring support – **Professional Tutoring** and **Peer Tutoring** – both designed to help you succeed in your courses.

2. What is Professional Tutoring?

Professional Tutoring is **free of charge** and available to all Cambrian students. Professional Tutors work in the Learning Centre. Tutors can help with:

- English and writing
- APA citation and academic skills
- Math and sciences

To book an appointment:

Log in to [TutorOcean](#) using your Cambrian email.

3. What is Peer Tutoring?

Peer Tutoring connects you with fellow students who can help with specific courses. It's now offered through the **TutorOcean marketplace**, where peer tutors set their own schedules and rates.

New credit-based model:

Each student receives a set number of tutoring **credits** per semester. Use these to book sessions with Peer Tutors. Once used, you can still book sessions on a **pay-as-you-go** basis if you wish.

4. How do I access Peer Tutoring?

1. Go to cambriancollege.tutorocean.com
2. Click on the “**Peer Tutor**” button
3. Search by **course or subject** and message tutors directly
