3. Select **My Account**
4. Specify your current password and enter and confirm your new password

The screenshot shows the 'myCambrian' website interface. At the top, there is a navigation menu with links for 'Welcome', 'Applicant', 'Student', 'Library Databases', 'Academic Policies - Forms - PAC Minutes', and 'Help'. Below the menu, the page title is 'Password Change and Security Question Setup'. The main content area is divided into two sections: 'Change Password' and 'Change Session Timeout'. The 'Change Password' section includes a red warning message: 'Please enter your current password and new password'. It contains three input fields: 'Current password:', 'New password:', and 'Confirm password:'. To the right of these fields is a 'Password Requirements' box with the following rules:

- Minimum password length is 5.
- Maximum password length is 20.
- Password must contain a letter
- Password must contain a digit

 Below the password fields is a link for 'Change password recovery answers'. The 'Change Session Timeout' section has a 'Session timeout' dropdown menu set to '60' and a red warning: 'You may not change your session timeout.' A 'Save Changes' button is located at the bottom right of the form. At the very bottom of the page, there is a copyright notice: '© 2000 - 2013 Ellucian. All rights reserved. ellucian'.

5. Next, set up your security questions. By setting these up, it enables you to reset your password. You can either select the default questions or erase those and create your own

The screenshot shows the 'myCambrian' website interface for the 'Secret Questions and Answers Setup' page. The page title is 'Secret Questions and Answers Setup'. Below the title, there is a message: 'You have chosen to setup your secret questions and answers. You must supply your login password to authenticate your setup. The secret question and answer pairs that you supply can be used to login if you forget your password. The questions and answers that you provide should be difficult for others to guess. The following question and answer constraints are in place:'. Below this message is a list of constraints:

- The minimum number of valid question and answer question pairs that are required is: 2
- The minimum number of significant characters in a user-defined question is: 1
- The minimum number of significant characters in an answer is: 1
- Answers are not case sensitive (when answering the questions different upper and lower case characters may be supplied).
- Whitespace in answers is not significant (when answering the questions a different number of space characters may be supplied).
- Duplicate answers are not allowed.

 Below the list of constraints is a form for setting up the questions and answers. It includes a 'Login Password:' field, a 'Questions' column, and an 'Answers' column. The first question is 'What is your favourite vacation des?' and the second is 'What street did you first live on?'. At the bottom of the form are 'Submit Setup' and 'Cancel' buttons.
